

# Divine Delights

*And I will delight myself in thy commandments,  
which I have loved. (Psalms 119:47)*

Praise ye the LORD. Praise ye the LORD from the heavens: praise him in the heights. Praise ye him, all his angels: praise ye him, all his hosts. Praise ye him, sun and moon: praise him, all ye stars of light. Praise him, ye heavens of heavens, and ye waters that be above the heavens. **Let them praise the name of the LORD: for he commanded, and they were created.** He hath also stablished them for ever and ever: he hath made a decree which shall not pass. Praise the LORD from the earth, ye dragons, and all deeps: Fire, and hail; snow, and vapour; **stormy wind fulfilling his word:** Mountains, and all hills; fruitful trees, and all cedars: Beasts, and all cattle; **creeping things**, and flying fowl: Kings of the earth, and all people; princes, and all judges of the earth: Both young men, and maidens; old men, and children: Let them praise the name of the LORD: for his name alone is excellent; his glory is above the earth and heaven. He also exalteth the horn of his people, the praise of all his saints; even of the children of Israel, a people near unto him. Praise ye the LORD. (Psalms 148:1-14)

All of creation is subject to the laws that God has put in place. When I look at the heavens, the weather, the creatures, the earth, the sea, plants and people, I see evidence of God's hand in all that he has designed.

For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse: (Romans 1:20)

I have noticed a few marvellous spider web designs at our place. The golden orb's big circular web looks great when it is wet. In the paddock, there is a tiny spider who makes a dome shaped web in the grass. Then we have the black house spider who makes a funnel shaped web. I don't like spiders at all, but even their webs show us what an amazing Creator we have. I don't have to look far to find much to praise God for. God is indeed worthy of my praise!

Dear Ladies,  
May you be encouraged and delight in the Lord also.  
Love Heather.
